

Policy Statements Withdrawals

The Council recommends to the General Assembly to withdraw the following Policy Statements

1. “Guidelines for Dental Volunteers” (2005) this topic has been adequately addressed in another revised Policy Statement “Ethical Recruitment of Dental Volunteers” produced in 2023.

<https://www.fdiworlddental.org/guidelines-dental-volunteers>
<https://www.fdiworlddental.org/fr/directives-lattention-des-benevoles-dentaires>

<https://www.fdiworlddental.org/es/codigo-de-conducta-para-las-organizaciones-de-salud-bucodental-sobre-el-control-del-tabaco>

5. “Post-Exposure Prophylaxis for HBV, HCV, and HIV” (2009). In consideration of the 2021 revised Policy Statement on Infection Prevention and Control in Dental Practice and the 2022 Policy Statement on the Role of Vaccinations in Protecting the Dental Team this topic has been adequately addressed.
