A DEDICATED PLATFORM FOR YOUNG DENTISTS

Building on the success of previous editions, the FDI Young Dentists Forum 2026 in Prague featured Dr. Christina Radics, speaking on work–life harmony and resilience, and Dr. Eunhyuk Lee, winner of the 2026 Emerging Speaker Contest.

The programme concluded with an interactive panel discussion exploring early-career challenges and professional wellbeing, enriched by live audience polls and diverse perspectives, including those of Czech young dentist Dr. Michal Přibyl and industry representative Fernando Dias from Henry Schein. The forum ended with a networking cocktail and was made possible thanks to the generous support of Henry Schein.
